

*Dear John*

*It gives me great pleasure to inform you that Mudiwa Llobell has received a Commendation for Academic Industry. He has also received a Certificate of Merit for Tennis and was placed 3<sup>rd</sup> in the KwaZulu Natal U15A team. He was also selected as a reserve for the SA U15 team. He has also been selected for U14A Hockey.*

*We are delighted to have received such a talented boy from Epworth and his achievements reflect well upon both of our schools. We hope that we will receive more boys from Epworth in the future and that the relationship between our schools will grow.*
